# BECAUSE OF YOU...

2017 ANNUAL REPORT

♻️ Printed on recycled paper

MAKING **ALL OF THIS POSSIBLE**

Recently I spent time with a family and their first, newborn child. Listening to the light-hearted bantering exchange between mother and child and watching the attention and care the parents showered on the infant made me very aware of how deeply the baby was cared for and how dependent it was on that care from its parents. My wife's observation to our children at the time was that in the midst of all of that love and care was the realization that each of us was loved and cared for that intensely by our parents and families. It was a wonderful thought for our children to imagine, not only for themselves but also for virtually everyone they met—at some point in each person's life, she or he was the recipient of deep love and care and depended entirely on others for life itself.

**...at some point in each person's life, she or he was the recipient of deep love and care and depended entirely on others for life itself.**

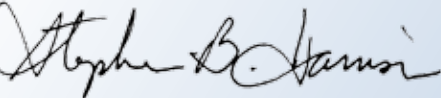

That thought extends to all of us throughout other aspects of our lives and especially here at New England Kurn Hattin Homes for Children. In our life together at the Homes, we are often dependent on one another to accomplish our daily work. Certainly, when it comes to funding our overall operations, we are exceedingly dependent on the graciousness and generosity of our donors in order to carry on our mission of transforming the lives of children and their families forever.

Every year we rely on charitable giving and income from that charitable giving for around 95% of our operating budget. Kurn Hattin does not derive substantial funding from annual tuition like other independent schools; most of our families are not able to pay any tuition in order for their children to attend. While we do appreciate our reserved funds (endowment),

which are composed of charitable contributions from throughout our history, they do not provide nearly enough income to fund annual operations. Therefore, we must rely on the love and care of those who have the ability and desire to cherish us, just like a newborn baby relies on its parents for sustenance. Your gift makes our work possible!

I want to express our deep, deep gratitude for each one of you who contributes to the fulfillment of our mission. Because of you, each of you, we continue to transform children's lives—one gift at a time and one child at a time. Because of you a child feels safe at night—every night—in our well-appointed cottages. Because of you a child enjoys consistent (three meals a day and snacks), fresh, healthy, and delicious food (much of it from our own fields)—perhaps for the first time in her or his life. Because of you a child can learn in the classroom at a rate that meets his or her individual needs from teachers who truly care about the child. Because of you a child can play on the playground or on an organized team, enjoying the thrill of play as a child should. Because of you a child can learn to sing, to play an instrument, to read for a lifetime of adventure, to paint and create art, to practice civility and social skills, to enjoy the blessing of the outdoors, and to become the well-rounded person of promise she or he was meant to be!

All of this is possible at Kurn Hattin for our children—**BECAUSE OF YOU!** Thank you, thank you, thank you!!!

**Stephen B. Harrison**  
Executive Director

**“I’ve learned about teamwork and that hard work pays off. My teachers always want me to do my best and reach my goals.”**

~ **Tayshaun Bennett, Grade 5**

**“I’m getting the attention and help I need. I get time after school for help with homework and make up work. The other kids here help too, and they don’t bully you.”**

~ **Elizabeth Anderson, Grade 5**

**“I am doing so much better than how I was doing before.** I would not be the person I am today without everyone’s help leading me along the right path. Whenever I am stuck, I know Kurn Hattin is my other home.”

~ Isabelle LaCasse, Grade 8

**“There is so much to say.** I live with my friends, go on trips, get fresh air every morning, afternoon, and evening. I have really opened up. I am myself and I love it. I love that I have my own voice and that it matters. We are all treated like we matter. We all are family who care. Knowing that somebody cares is a wonderful feeling.”

~ Ryley Smith, Grade 8

**“I feel I’ve been given a second chance,** and chances I would never have had. I am a day student and am always invited to join after school trips and cottage events along with the other students.”

~ Britney Thomas, Grade 8

**“I’ve come a long way since I first came here.** I have been helped a lot. So when I am older, I will be prepared for adult life. I love sports. We may not win that many games, but we do not care, because we all have fun. And that is all that matters.”

~ Vinny Ruggiero, Grade 7

*“I understand life better than I did before coming to Kurn Hattin. I’ve changed my mind about not liking school. I like the way they teach, the horse program, and getting to go on trips with the staff.”*

~ Abby Bailey, Grade 6

*“I’ve become a better and more mature person. I’ve been helped to see my full potential and what I can achieve. I can choose my path in life. I’ve been shown the good side of things and it helps me stay positive. If I really want to achieve a goal, I will get there.”*

~ Jordyn LaBarre, Grade 8

## PASSION AND COMMITMENT

Because of you, our loyal donors and supporters, we have been able to forge an exciting year of transition for Kurn Hattin. Many changes make for exciting times, leading to new directions, and we have certainly had our share:

Within the last one and one half years, we have welcomed a new executive director, a new principal, some new teachers, houseparents, and staff personnel—quite a challenge! After being connected to the school for almost 20 years, I also became your new president, and I am looking forward to serving you again in the coming year.

To our Board, we have added quite a few new Incorporators and Trustees who bring interesting backgrounds and much enthusiasm. This will contribute to a more varied overall makeup of the Board, providing us with new ideas and more opportunities.

Through a strong ad hoc committee involving Board members, teachers, administrators and staff, we have evaluated many of our facilities and activities and developed a new strategic plan. At the same time we have strengthened our ties with secondary schools in the area, all with an eye to the future.

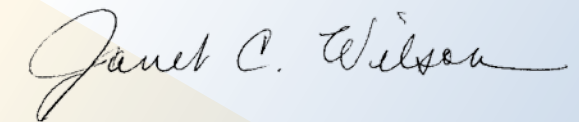

We have also revamped our corps of volunteers, developing new forms and procedures which will help us make better use of their individual skills and special interests.

Kurn Hattin has a unique story to tell, and each of our children has his or her unique story to tell as well. It is our challenge and our responsibility to make these stories known. All of you serve as the best ambassadors for Kurn Hattin, and we continually depend on your passion and commitment to share our story.

**All of you serve as the best ambassadors for Kurn Hattin, and we continually depend on your passion and commitment to share our story.**

To our donors, employees, volunteers and the local community, we are so very grateful.

**Because of you**, we shall begin 2018 with much anticipation, renewed confidence, and vigor.

**Janet C. Wilson**  
President of the Board

ANNUAL REPORT FROM THE FINANCIAL MANAGER

In preparing this report and reviewing the numbers for the table and graph on the next page, one cannot help but appreciate the history of donor support for Kurn Hattin that goes back to 1894. Unlike other private residential schools, Kurn Hattin is not tuition driven. Kurn Hattin is mission driven, with the primary goal of providing a quality home and education to children in need, regardless of the family's ability to contribute towards the program. This would not be possible without the generous donor support received over the years. As the chart on the opposite page indicates, 93% of the funding support for the residential and educational programs is through charitable sources of revenue. The support from annual giving, trusts, bequests and the endowment are all important elements of this funding. Thanks to all of you for your support of Kurn Hattin. We look forward to future generations of donors to sustain Kurn Hattin for years to come.

The fiscal year ending June 30, 2017 was successful with respect to the operations of Kurn Hattin. Collectively, budget managers underspent the budget by \$272,000, or 5%. Overall expenses were \$202,000, or 4%, below Fiscal 2016. Capital expenditures in Fiscal 2016 totaled \$131,480 which included replacing some of our aging vehicles and equipment, replacing furnaces in the Hubbard and Turrell cottages, and repairing the roof on Hubbard. Major roof repair is scheduled for the Mayo school building beginning in the fall of 2017.

It was also a positive year for the endowment, posting a 12.3% investment return for the year, compared to a return of -5.5% in Fiscal 2016. Kurn Hattin's Investment Committee is comprised of board members, staff and three outside investment professionals, who along with our investment advisor Prime Buchholz meet at least quarterly to review investment performance. This volunteer committee works hard to make sure that Kurn Hattin's endowment is in the best position to achieve growth and to support Kurn Hattin's operations. Building the endowment through positive investment performance and new gifts is an ongoing priority. As of June 30, 2016, the endowment value, net of allocations to support the operating budget, stands at \$45.1 million.
