**2020 ANNUAL REPORT**

“Kurn Hattin has helped me strive to do my best. It has given me the chance to do well in school and residential life. Every day, Kurn Hattin staff and students live our core values in every way possible. **WE AS A COMMUNITY SHOW COMPASSION AND NURTURE EACH OTHER.** We congratulate each other when something great happens. We all are building our sense of worth and keep going no matter what. We persevere to be the best we can be. We have hope for our futures. To me and many others, Kurn Hattin Homes is home.”  
- Benjamin, Grade 8

# COMPASSION

“My son has attended Kurn Hattin Homes for the past 6 years. In June, he graduated 8<sup>th</sup> grade as the Class of 2020 Salutatorian. KHH is such a special place. They have become a part of our family. Everyone there is incredible. My son would not be the young man he is today without the love, support, and kindness from everyone at KHH.” - Grateful Parent

“My life has changed in many ways. **KURN HATTIN HAS HELPED ME SLOW DOWN AND NOT MAKE BAD DECISIONS.** Being here has also helped me with my anger. Kurn Hattin has made me a better version of myself and I’m so thankful for that.”

- Gracie, Grade 7

# SLOW DOWN

“Because I was a part of the Kurn Hattin family, I was able to do so many things afterward. I learned that I love sports and being active in general. I graduated Salutatorian of my 8<sup>th</sup> grade class and was 79<sup>th</sup> in my class rank. I was on the Honor Roll, and I was class musician. I didn’t play any sports in high school but I do play them now whenever I get the chance. As for music, it’s always been one of my favorite things to do. **I’VE LEARNED SO MUCH ABOUT MAKING FRIENDS AND AND BEING AND STAYING TRUE TO MYSELF.** I will always be a part of the Kurn Hattin family because Home is where my heart lives.”

- Jenitza Fernandez, Class of 2013

# MAKING FRIENDS

“When I first started at Kurn Hattin, I believed I was worthless. The staff helped show me I had worth. **KURN HATTIN ALSO HELPED TEACH ME DISCIPLINE.** I learned I had musical talent, and I now play multiple instruments, sing, and write songs—all of which never would have happened if it weren’t for Kurn Hattin’s music program. I was also able to create great bonds with multiple staff members. My houseparent was the father figure I needed and also helped me walk in my faith. Although there were times I hated it and wanted to go home, looking back, I can say that I never would be who I am today and where I am now if it were not for the loving staff at Kurn Hattin. New England Kurn Hattin Homes for Children has had a tremendous impact on my life.”

- Liam Snowden, Class of 2016

# DISCIPLINE

**SINCE I LAST WROTE AN ANNUAL REPORT, WE HAVE SEEN A YEAR OF HIGHS AND LOWS, BOTH AT KURN HATTIN HOMES AND IN THE WORLD. THE IMPACT OF THOSE EVENTS HAS TRANSFORMED THE HOMES IN SUBSTANTIVE WAYS, SIGNIFICANTLY FOR THE BETTER IN MOST CASES, ALTHOUGH WE STILL FACE CHALLENGES.**

Financially, Kurn Hattin Homes has enjoyed the support of a myriad of donors for years, and for that support we are extremely grateful. Direct donations account for about 40% of our operational expenses annually, and we are working hard to increase this portion of our income in order to decrease our reliance on the Homes’ endowment funds. We only receive around 5% of our income from various types of government support. The largest share of our operational budget, about 55%, comes from funds derived from the Homes’ endowment fund, which itself consists of money that came from individual charitable contributions. Without the endowment’s income and support, the Homes would not be able to provide the program for children that we do, but our annual draw from endowment income and funds is larger than is sustainable over the next 75 years. Still, we are grateful that the market (at the time of this writing) seems to be holding relatively firm.

The educational program began well last year with a census of about 72 children. Last October we hosted the New England Association of Schools and Colleges’ Accreditation Visiting Team, which was here to evaluate Kurn Hattin Homes for NEASC accreditation. We received a favorable review and responded promptly to a few of their suggestions for improvements. These improvements included upgraded training and working conditions for residential staff, more health and mental health coverage in the afternoons and evenings, and enhanced safety measures (including cameras, etc.) on campus. All of their recommendations have been acted on since their report to us last January, and we expect full accreditation from NEASC (in addition to our on-going certification from the state AOE) to be forthcoming any time now. With the impending accreditation of our school and residential program by NEASC, we requested and were granted release from being a Residential Treatment Program by the Department of Children and Families (DCF). This is a recognition that while our children come from difficult

home situations, they are not here for “treatment” programs. All of these developments are moving us in a positive direction.

Last March, Kurn Hattin Homes was impacted by the coronavirus pandemic. We made the extremely difficult decision to follow the state guidelines to close our campus and send our children back to their own homes. We continued to pay salaries and benefits to all employees during the closure. Our staff stepped up to the challenges of a closed campus marvelously. The teachers maintained outstanding contact with children through mail and electronic media to keep learning going. Residential staff completed innumerable cleaning and renovation projects in the cottages/buildings, as well as on outside trails. Our maintenance and farm staff continued their wonderful upkeep of the campus and found even more projects to complete during the closure. Still, not having children on campus was a sad state of affairs at Kurn Hattin Homes! It was a happy day indeed when, in mid-July, the summer camp program reopened the campus to our children once again! Life was different as we observed stringent COVID-19 safety protocols, but the joy of having our children back over-shadowed any inconvenience, and the same was true of our August start of the academic year!

In July we were devastated and horrified by the revelations about two groups of alumni from the 1960s and ‘80s who came forward with stories of alleged abuse. We are unsure how long investigations will take, but we must make this situation as “right” as we can for all of our children, past and present. It is crucial that we: 1. Acknowledge the pain and suffering of these alumni and help them feel the love and acceptance that the vast majority of our children feel, and 2. Ensure that nothing of this sort can or will occur again so that the Homes can meet the needs of children faithfully for another 125 years! We are confident that both of these goals are being met thoroughly, but healing takes time, and protection of children is always a vigilant and conscious task.

These have been, and continue to be, times that try folks’ souls. Yet we know that our work has meaning and makes a difference in this world! Our mission is to transform the lives of children for the better! That is what we have done, are continuing to do today, and will keep doing in the future. Please join us in this renewed commitment to help transform lives!

# EXPRESS

“ The inner-city schools where we went previously are crowded. We get more one-on-one help here. Kurn Hattin has impacted our family positively by allowing our older sister to find a place for all of us to live, since she takes care of us. **WE HAVE ALSO BEEN ABLE TO EXPRESS OUR CREATIVE SIDES THROUGH ART, DANCE, AND MUSIC.** Kurn Hattin has impacted our lives in many ways.”

- Zeniya, Grade 6 & Amaya, Grade 7

“ Sometimes life gives a young person lemons and Kurn Hattin Homes is the place where they learn to make lemonade. **THE ENTIRE STAFF IS SO COMMITTED TO HELPING THE STUDENTS LEARN AND GROW, IN WAYS THEY DIDN'T KNOW WERE POSSIBLE.** Thank you to all of the magic makers at Kurn Hattin Homes.”

- Mark Lightner,  
Volunteer & Supporter

“ The four years I spent at Kurn Hattin were the best years of my youthful life. Kurn Hattin not only molded my personality, but also enhanced my future by giving me an important start to becoming a beneficial member of society. **I FEEL THAT ONE OF THE MOST SIGNIFICANT ASPECTS IN LIFE IS TO EXPERIENCE LOVE.** I can say the entire staff at Kurn Hattin gave me just that.”

- Leonard “Lenny” Stavrou,  
Class of 1951

# LOVE

# SAFE

“ **KURN HATTIN WAS MY SAFE PLACE.** The horse barn was my escape place where I didn't worry about what was going on in my home life. At Kurn Hattin, I got the chance to be a kid again. I want kids to have the same chance I got when I was there. Kurn Hattin did so much for me both while I was there and still now! Giving back as a volunteer and seeing how kids leave the barn smiling is just one reason why I'll always stay involved.

- Rebekah Rounds,  
Class of 2015 & Volunteer

“ Kurn Hattin meets many needs in our society. As a longtime volunteer at the school and cottages, I have been very impressed. Once you become involved with the children, you feel the wonderful love and caring that everyone expresses. People often comment on the children's great social skills. I have seen many successes. Every child has potential. The children have many opportunities to further their education in academics, music, sports, and many other areas. **IT IS SO REWARDING TO SEE THE GROWTH AS THE CHILDREN MATURE IN THIS WONDERFUL ENVIRONMENT.** It is a “win-win” situation. I love those kids. I am K.H. proud.”

- Barbara Brackett,  
Volunteer & Supporter

“ Kurn Hattin has shown me that I can be myself and succeed to any limit I push myself. The school environment allows me to show how successful I can really be if I put my mind to it. **OVER THE YEARS, I'VE GROWN UP AT KURN HATTIN AND I HAVE BEEN ABLE TO ACHIEVE THINGS I WOULDN'T HAVE IF I NEVER BECAME A PART OF THIS ENVIRONMENT.** The Kurn Hattin staff gives me the help I need to become the person I want to become. The entire community allows each person to make friends and just have fun while at the Homes.”

- Elizabeth, Grade 8

# ACHIEVE

# RESPECTFUL

“ I learned that school can actually be fun and the teachers are very helpful. **KURN HATTIN TAUGHT ME HOW TO BE RESPECTFUL.** Kurn Hattin has had a real impact on me.”

- Ryan, Grade 7

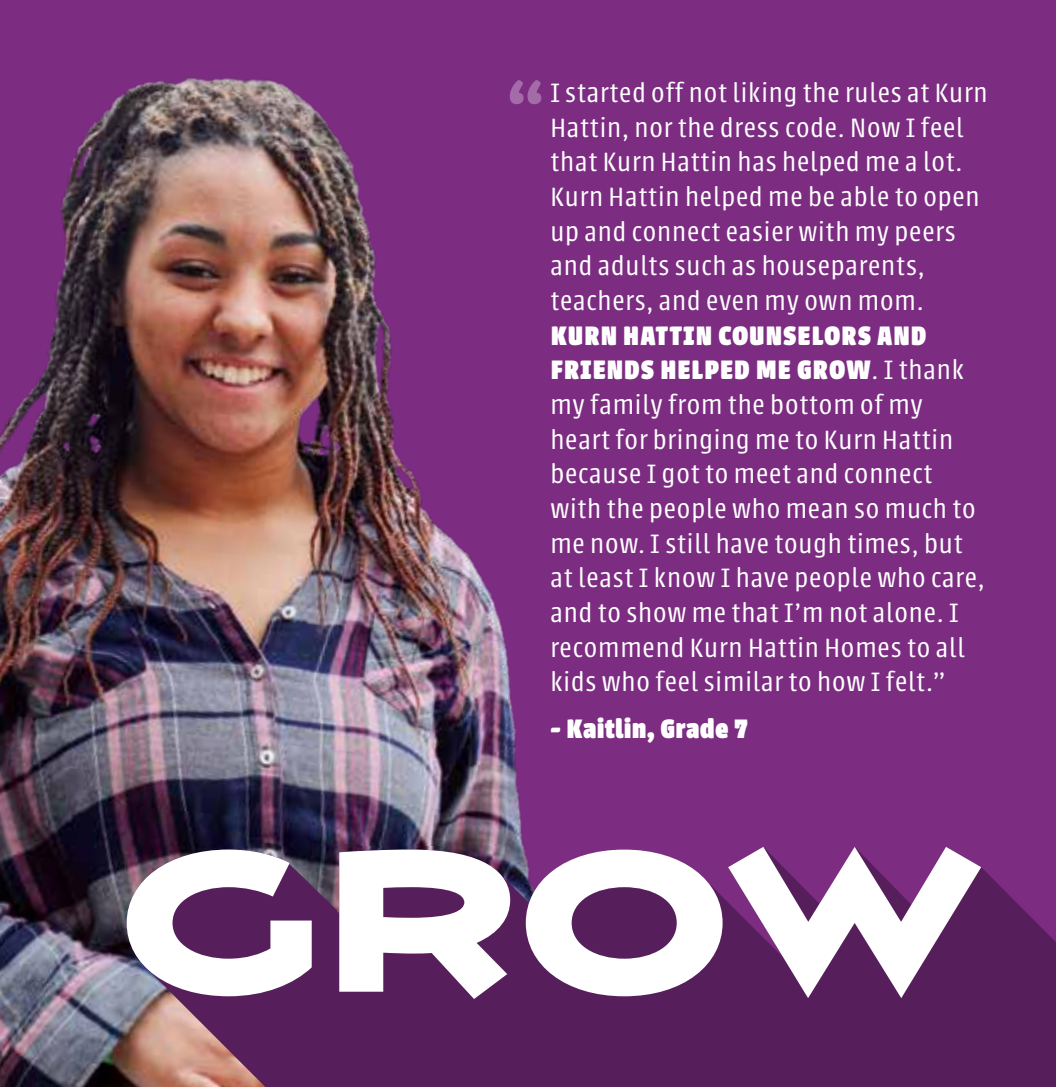

“ My grades have improved and this has made me want to do my work. My basketball skills have become so much better, and we won the championship for the first time in a long time. **I learned that I need to FOLLOW RULES and how important that is.** I have met so many people that I'll remember forever.”

- Ethan, Grade 8

# FOLLOW RULES

“I started off not liking the rules at Kurn Hattin, nor the dress code. Now I feel that Kurn Hattin has helped me a lot. Kurn Hattin helped me be able to open up and connect easier with my peers and adults such as houseparents, teachers, and even my own mom. **KURN HATTIN COUNSELORS AND FRIENDS HELPED ME GROW.** I thank my family from the bottom of my heart for bringing me to Kurn Hattin because I got to meet and connect with the people who mean so much to me now. I still have tough times, but at least I know I have people who care, and to show me that I’m not alone. I recommend Kurn Hattin Homes to all kids who feel similar to how I felt.”

- Kaitlin, Grade 7

# GROW

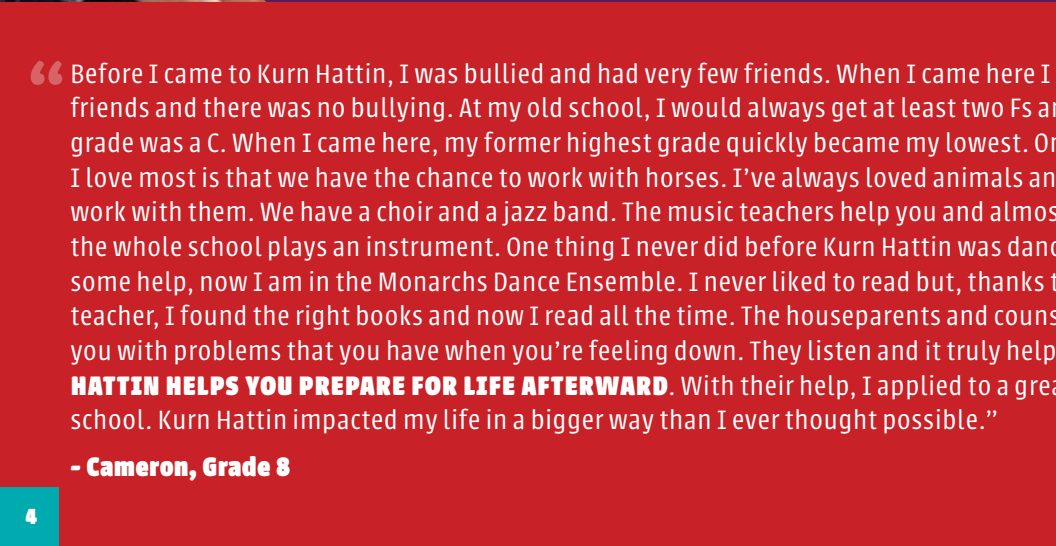

“When I first came to Kurn Hattin, I was ten, but I acted like a toddler. I was rude and had no manners. I didn’t listen. I would refuse to do things I didn’t want to do and I wouldn’t get along with anyone. Now I’m like a completely different person. I have improved in my grades, my behavior, and a lot more. Overall, I am very responsible. I often help the little kids when they’re having a rough day. When I don’t want to do some of the things I’m told to do, I almost always do them without complaining.

**I’M NOT PERFECT AND STILL HAVE MY UPS AND DOWNS, BUT I TRY MY HARDEST.”**

- Tristan, Grade 8

# TRY

“Before I came to Kurn Hattin, I was bullied and had very few friends. When I came here I quickly made friends and there was no bullying. At my old school, I would always get at least two Fs and my highest grade was a C. When I came here, my former highest grade quickly became my lowest. One of the things I love most is that we have the chance to work with horses. I’ve always loved animals and wanted to work with them. We have a choir and a jazz band. The music teachers help you and almost everybody in the whole school plays an instrument. One thing I never did before Kurn Hattin was dance. But with some help, now I am in the Monarchs Dance Ensemble. I never liked to read but, thanks to our reading teacher, I found the right books and now I read all the time. The houseparents and counselors help you with problems that you have when you’re feeling down. They listen and it truly helps. **KURN HATTIN HELPS YOU PREPARE FOR LIFE AFTERWARD.** With their help, I applied to a great high school. Kurn Hattin impacted my life in a bigger way than I ever thought possible.”

- Cameron, Grade 8

# PREPARE

**“In a gentle way, you can shake the world.” - Mahatma Gandhi**

**KURN HATTIN HOMES UNDENIABLY, ABSOLUTELY SHAKES THE WORLD—ONE CHILD AT A TIME, AND THE IMPACT IS LIFE-CHANGING.**

Every year as I watch the 8<sup>th</sup> graders walk across the stage at graduation, I think back to the moment when each child first arrived on campus. There are obvious changes—they’re taller, more mature, hairstyles have changed, clothing and footwear choices have evolved as time has passed. Those are the superficial differences. Other changes are much more subtle. There’s the confident way the graduates carry themselves, their stage presence when they speak before the audience, the way they are so comfortable in their own skin, how kind and thoughtful they are as they interact with one another and with adults, their belief in themselves, and their quiet pride in their accomplishments.

Clearly, they’ve changed since they arrived at Kurn Hattin and the impact runs very deep. The world will be a better place because these young men and women are part of it. They leave

The theme of this year’s Kurn Hattin Annual report is IMPACT. Impact is defined as “having a strong effect on someone or something.” In these challenging times, I often find myself focusing on negative impacts—the impact of the pandemic, the impact of the economy, the impact of racial injustice, the impact of a divided society. It is easy to understand feeling that the weight of the world is on my shoulders. I know I am not alone in feeling this way.

In the midst of these challenges, though, my thoughts turn to Kurn Hattin and my perspective on IMPACT turns 180°.

Our mission states, “*Kurn Hattin Homes transforms the lives of children and their families forever.*” It is a bold, ambitious mission and one the Kurn Hattin team take to heart and work tirelessly to achieve. The values of Perseverance, Nurturance, Hope, Compassion and Sense of Worth are IMPACT values.

**KURN HATTIN IS A MORE THAN A SCHOOL, MORE THAN A PLACE TO LIVE. KURN HATTIN IS A COMMUNITY IN THE**

with so much knowledge, such self-confidence, and also with the assurance that our entire community will always be here for them. They’ve been well prepared for the challenges ahead, and when they come to the inevitable bumps in the road, they’ll know where to turn. This is all part of the gentle, yet enormously powerful impact that Kurn Hattin Homes has on our children—and through them and because of them, on the world.

If ever there was a year when our children and our graduates have realized how great the Kurn Hattin impact is and how strong the community is that supports them, whether physically together or far apart, it has been this one, 2020. The extraordinary circumstances that have surrounded us over the past months have only strengthened the impact that we have had and will continue to have. The need for our mission in the world as it is today has never been greater.

On behalf of the children and staff, thank you for your ongoing support as our work together continues to have a significant impact and to shake the world around us.

**TRUEST SENSE OF THE WORD. A COMMUNITY COMMITTED TO HAVING AN IMPACT ON OUR CHILDREN AND THEIR FAMILIES. A LIFELONG IMPACT ON THE LIVES OF ITS COMMUNITY MEMBERS.**

I have been involved with Kurn Hattin long enough to see the impact it has on our children. As you would imagine, the impact varies by child—some excel academically while others excel at music, sports, or other art forms. Some excel at all of the above. However, it is through living the Kurn Hattin values and working with the committed Kurn Hattin team that they all learn how to become better classmates, roommates, teammates, bandmates, and friends. Many become leaders. Hopefully, they all see how bright their futures can be.

Even with the chaos and uncertainty of the times, this is the lasting IMPACT of Kurn Hattin.

I thank all of you for your contributions to our children.

Assistant Executive Director

President of the Board of Trustees

“ My time at Kurn Hattin was one of the most important times of my life. **BECAUSE OF KURN HATTIN, I SANG AND PLAYED MUSIC, AND MY CONFIDENCE GREW DRAMATICALLY.** Now I am in the marching band at my high school. There were so many opportunities and experiences. Kurn Hattin provides so much for their students. If I did not go to Kurn Hattin, I would not be where I am today.”

- Tia Willis-Cooper, Class of 2017

# CONFIDENCE

“ My time at Kurn Hattin was unforgettable. The staff, the structure, and genuine care that I received was unlike anything I had experienced in my home life. When I graduated after completing the 8<sup>th</sup> grade, I had dreams and goals that I never knew were possible—this was mostly due to the constant support and encouragement that, unfortunately, my own parents could not provide. After Kurn Hattin, the transition to public high school was not easy; however, because of the skills that Kurn Hattin instilled in me at a young age, I was able to stay focused on my education and career goals on into adulthood. I joined the US Air Force at age 19, and have since served over 16 years, with a clear sight on serving at least 20 years to complete my military retirement. **AGAIN, THE STRUCTURE AND DISCIPLINE THAT I LEARNED HAVE EASED MY ADAPTABILITY INTO MY MILITARY LIFE.** During my career, I’ve completed a B.S. degree in Human Resources and an MBA. I have soared through the ranks, to the current rank of Captain. I currently manage a national program to detect and deter military members and their families from drug abuse/misuse. We focus on training and education at all levels and assist members and their families in getting connected to the available resources.”

- Autumn Millette Hensley, Class of 1998

# STRUCTURE & DISCIPLINE

“ Kurn Hattin is an amazing place. Children and families are instantly part of an incredible journey. **Academically, students work at their ability and skill level. This has helped build confidence in both of my children.** Tia went into 7<sup>th</sup> grade as a quiet kid, who wouldn’t join in or speak publicly. With the support of the Kurn Hattin staff, she graduated 8<sup>th</sup> grade as an independent young woman. The music program has given my children a voice. They have gotten to sing in front of all kinds of people, in all kinds of situations. These memories will be with them forever. I will forever be grateful to the staff of Kurn Hattin for having such a big impact on our family—for supporting the whole child and not letting my kids get lost in the cracks of society.”

- Cora Willis-Cooper, Grateful Parent

“ I have been here for three years and it has helped me so much. I love my teachers. I am in Select Choir, which is not very common for 4<sup>th</sup> graders. **I LOVE TO SING AND I HAVE BEEN ABLE TO EXPERIENCE SO MUCH BEING A PART OF THIS GROUP.** I also love to act. I was recently in a play and my part was so fun.”

- Danika, Grade 4

# GROUP

“ Kurn Hattin has impacted my life by changing the way I treat my mom and how I treat my peers. I have learned to not be mean to people. **I DON’T TALK BACK AND CAN CONTROL MY FEELINGS AND BEHAVIOR BETTER.** I can be really nice because I really am a nice kid.”

- Hazen, Grade 7

# CONTROL

“ I feel my teacher is always there for me. Kurn Hattin has impacted me by teaching me better skills. I have begun to learn how to interact with people better. Living with so many girls my age has been an adjustment, but I know it will get easier. **KURN HATTIN IS TEACHING ME PATIENCE.**”

- Tegan, Grade 5

# PATIENCE

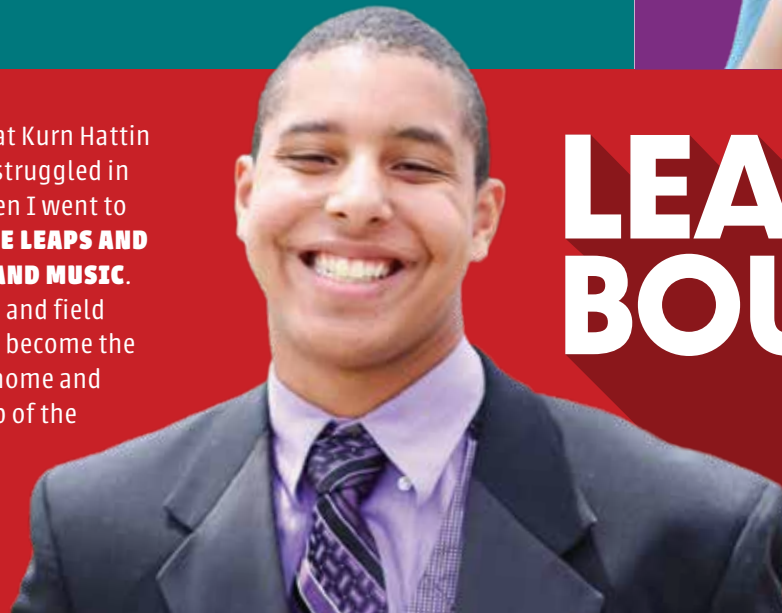

“ I’ve had a family member who attended Kurn Hattin. **I WISH MORE PEOPLE KNEW WHAT A WONDERFUL COMMUNITY AND LEARNING ENVIRONMENT THERE IS IN VERMONT.**”

- Carol Emery Dion, Grateful Parent

“ The teachers and houseparents at Kurn Hattin made the most impact on me. I struggled in school, but that all changed when I went to Kurn Hattin. **I STARTED TO MAKE LEAPS AND BOUNDS IN SCHOOL, SPORTS, AND MUSIC.** I also was a member of the track and field team. The people there help you become the person you are to become. This home and school is there for you every step of the way, even after you graduate.”

- Zac Corban, Class of 2018

# LEAPS & BOUNDS

ANNUAL  
REPORT  
from the  
FINANCIAL  
MANAGER

Stephen R. Fitch,  
Financial Manager

FINANCIAL DISCLOSURE

The purpose of the Financial Annual Report is to inform the public and contributors of the financial position of the organization and to acknowledge and recognize the support of our Trustees and contributors. Our Financial Statements are examined by the firm of Oster & Wheeler of Keene, NH, a certified public accounting firm. Audits are conducted annually in accordance with generally accepted auditing standards and include an assessment of accounting principles used as well as an evaluation of our financial procedures, controls and presentations. Copies of the audited statements are available upon request at the Kurn Hattin office in Westminster, VT. The audited statements may reflect different classifications than presented above and will reflect investment unrealized gains or losses.

Kurn Hattin’s finances were very much a major concern this past year with the onset of the Pandemic in early spring. We strategically decided not to lay off any employees even though we were without students for approximately four and half months and saw a significant drop in revenue. Our dedicated staff, without question, is our most valuable asset. Fortunately, we were able to secure a loan through the Payroll Protection Program funded by the Federal government that allowed us to substantially cover salaries and benefits during the latter part of the fiscal year. We expect this loan to be forgiven under the forgiveness terms of the loan program.

The other major pandemic impact was the dramatic hit to the market value of our endowment in March when it lost approximately \$5 million in value. The market has rallied since March regaining much of this loss. As of June 30, 2020 the endowment value is \$42.8 million. Special thanks to Kurn Hattin’s Investment Committee. This volunteer committee works hard to make sure that Kurn Hattin’s endowment is in the best position to achieve growth and to support Kurn Hattin’s operations. Building the endowment through positive investment performance and new gifts is an ongoing priority.

THE FINANCIAL SUPPORT FROM DONORS CONTINUES TO MAKE IT POSSIBLE TO POSITIVELY IMPACT THE LIVES OF CHILDREN AND THEIR FAMILIES.

Gifts to the endowment, annual contributions, estate gifts, and outside trusts established by donors to provide annual income has made it possible to sustain Kurn Hattin. As noted in the financial report on the next page, approximately 95% of Kurn Hattin’s income is from philanthropic sources.

Total operating expense in Fiscal 2020 of \$5.5 million was \$140,000 or 2.5% below budget. Capital expenditures totaled \$284,000. This included energy conservation projects in the Mayo Memorial Center, repairs to the sugar house, replacement of the dump truck, septic repairs, engineering costs for a new water filtration system (to be completed in Fiscal 2021), new crosswalk lighting signs, new furnace in Tackaberry Cottage, new water heaters in several cottages, and other building improvements.
