KURN HATTIN HOMES *for* CHILDREN

125
years

∞ H A P P Y 1 2 5 Y E A R S ∞

*"I feel so fortunate
for the years I spent
at Kurn Hattin. I'll
forever be grateful."*

Kurn Hattin Homes celebrates its 125th Anniversary this year! Operating for 125 years with the same mission of helping children from difficult home situations carries a seriousness of purpose that not all children's organizations can claim. Our work rests on the firm foundation of quality staff who came before us, has been tested for effectiveness through working with thousands of children, and the policies of the present have been honed on the whetstones of current theory, best practices, and practical experience.

The past taught us what to do and what not to do in addressing children's needs. Our institutional history has collected a rich nucleus of practical knowledge over 125 years! The past was not all glorious success, but it has clearly led us into ensuring that the needs of children are met emotionally and intellectually, as well as in all other areas of our children's lives. We seek to transform cycles of poverty, dysregulation, and dysfunction in children's lives, instilling in them the ability to enter the adult world as balanced, contributing members of civil society. We accomplish this through care and nurture, consistent structure, predictable treatment, de-escalation techniques, logical consequences, celebrations of success, and restorative practices —along with great fundamental education tailored for each child's needs as much as possible.

Conversations with alumni have taught me to respect the emotional and social difficulties families face in sending a child away from home to KHH as well as the emotional struggles of the children themselves in being here. I also appreciate the positive transformations that many alumni have made in their lives as a result of their time at Kurn Hattin. For most of our children, Kurn Hattin fills the "home" space in their hearts, and over time they understand and are extremely grateful for their time here. This is the true legacy of the Homes and the fulfillment of 125 years of visionary service to children!

Our task is to continue this tradition of visionary service and care for children through the next 125 years. Sadly, the need for a refuge for children from difficult home situations has never been greater, and no one expects that need to wane any time soon. It is astounding that there are so few Homes like Kurn Hattin available to children. We are profoundly grateful for all of our Incorporators, Trustees, benefactors, supporters, volunteers, and staff for the incredible support we enjoy from you all each and every day. This is truly a blessed community in that regard, and you all are our blessing!

In the service of children,

Stephen B. Harrison, Executive Director

*"I think that we
were given just the
right amount of play
and instruction."*

"I made friends who became family to me. I will never forget how Kurn Hattin Homes shaped my future and put me on a path that put me where I am today."

“I learned to express myself through music. I went on to do a lot of amazing things with music. I am still making music to this day.”

∞ KURN HATTIN HOMES ~ 125 YEARS YOUNG ∞

I believe the aspirational goal of every non-profit and social services organization is to become obsolete. In Kurn Hattin's case that would mean a world where all children have the loving, nurturing home and educational environment they need. Unfortunately, that remains a dream and Kurn Hattin is more relevant and necessary than ever.

After 125 years of providing transformational experiences, you may think the work of Kurn Hattin is getting easier. Nothing can be further from the truth. Our world keeps changing along with the needs of the children we serve and we must adapt accordingly. I am thrilled that Steve Harrison, our Executive Director has promoted Sue Kessler to the role of Assistant Executive Director. In this role, Sue will focus on the Child Services aspects of Kurn Hattin ensuring the ever-changing needs of our children are being met in the best way possible.

Kurn Hattin's success throughout its history is due to a continuous stream of talented, dedicated individuals serving as staff, mentors, volunteers, friends, and supporters. Kurn Hattin's future success is dependent on all of our continued support. Our children need and deserve it.

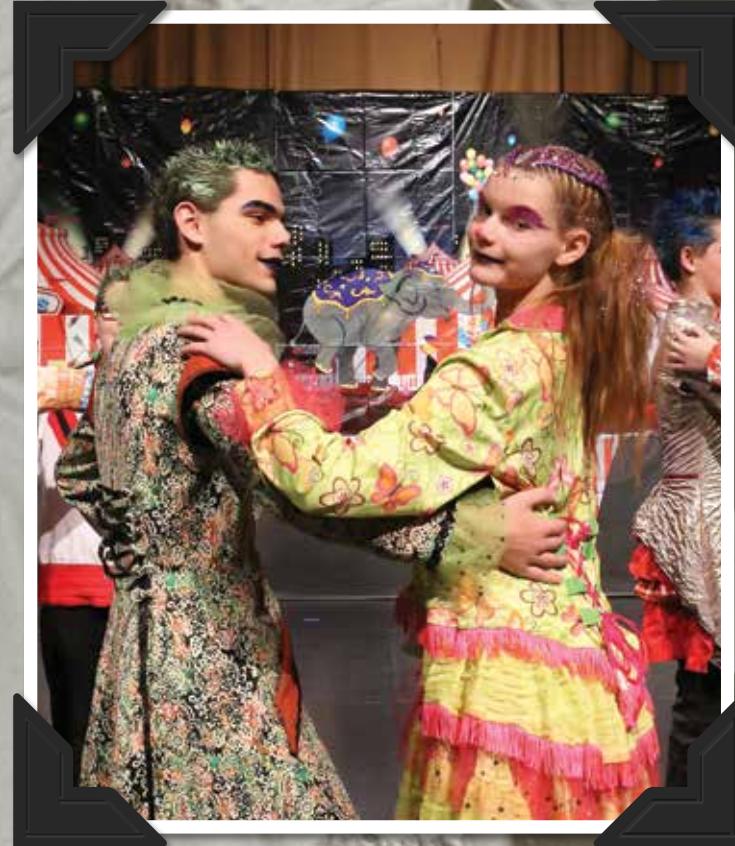

On behalf of the Kurn Hattin community, I thank you for your commitment to our children.

Mark Bodin, President of the Board

∞ ANNUAL REPORT FROM *the* FINANCIAL MANAGER ∞

Being part of the 125th anniversary of this amazing organization is an honor. It is incredible to think about all the people in the past 125 years who, through hard work and financial support, made it possible to provide this great opportunity for children and their families to positively impact their lives. Over 125 years, gifts to the endowment, annual contributions, estate gifts, and outside trusts established by donors to provide annual income has made it possible to sustain Kurn Hattin. As noted in the financial report on the next page approximately 95% of Kurn Hattin's income is from philanthropic sources.

The importance of the endowment to fulfilling Kurn Hattin's mission cannot be overstated. Donor support for the endowment in Fiscal 2019 totaled \$1,665,306 in the form of gifts and bequests. The invested funds achieved a 4.2% positive return as of June 30, 2019. Special thanks to Kurn Hattin's Investment Committee. This volunteer committee works hard to make sure that Kurn Hattin's endowment is in the best position to achieve growth and to support Kurn Hattin's operations. Building the endowment through positive investment performance and new gifts is an ongoing priority. As of June 30, 2019 the endowment stands at \$45.8 million.

Fiscal 2019 was positive with respect to the operations of Kurn Hattin. Collectively budget managers underspent the budget by \$174,000 or 3%. Capital expenditures in Fiscal 2019 totaled \$197,000 which included road paving, bathroom renovations in Mayo, enhancements to security in the school, replacement of a truck, a new furnace in the Parent cottage, and other building improvements.

Stephen R. Fitch, Financial Manager
